Animesh Kumar Dubey

Business Analyst Intern | Advanced Excel | Data Analysis | BCA Graduate (2026)
Delhi (open to relocate to Bengaluru) | +91 81789 06154 | animesh3736@gmail.com | animesh1422.github.io | LinkedIn | GitHub

PROFILE

BCA graduate (2026) with a commerce background and a strong interest in Business Analysis, looking for a Business Analyst Intern role where I can turn business needs into clear requirements and documentation. Strong in Advanced Excel: Power Query, Power Pivot, Pivot Tables with slicers, charts and dashboards, and lookup and conditional formulas. I also know basic SQL and am learning Power BI. Built the frontend of an e-commerce web application as part of a team. I use AI tools such as Claude and ChatGPT for research, documentation and analysis, and verify their output. Can join immediately; open to relocate to Bengaluru.

SKILLS

Advanced Excel: Power Query, Power Pivot, Pivot Tables and Slicers, Excel Dashboards, Data Visualisation with Charts, XLOOKUP, VLOOKUP, HLOOKUP, INDEX+MATCH, SUMIF/SUMIFS, COUNTIF/COUNTIFS, Data Validation, Conditional Formatting, Tables, Sorting, Filtering, Flash Fill, Text to Columns

Business and Documentation: Business understanding, commerce background, analytical and problem-solving skills, written and verbal communication

Presentation: Microsoft PowerPoint

Other Analytics: SQL (basic), Power BI (learning)

AI Tools: Claude, ChatGPT (research, documentation and analysis)

Programming and Tools: Python, Bash, Git/GitHub, React, Tailwind CSS, Context API

Technical Foundation: Linux, Networking Basics

PROJECTS

Excel Analysis Exercise (self-practice) | *Present*

- Used XLOOKUP to map departments to 40 orders, showing "Not found" for IDs that did not match, so mismatches were easy to spot.
- Used SUMIF and COUNTIF to total sales by department and count the unmatched orders.

E-commerce Web Application (MERN Stack) (college team project) | *Aug 2025 – Nov 2025*

- Developed the frontend in React and Tailwind CSS for product listing, category filtering and a multi-step checkout flow.
- Implemented cart functionality using Context API and a reducer.

EDUCATION

Sirifort Institute of Management Studies, affiliated to GGSIPU | *Delhi*

Bachelor of Computer Applications (BCA) | *2023 – Jul 2026*

- Relevant coursework: Database Management Systems (DBMS), SQL, Statistics, Data Analysis, and spreadsheet-based analysis.

CERTIFICATIONS AND COURSES

Cloud Computing, IBM (online course) | *Feb 2026 – Present*

Introduction to Cybersecurity, Cisco Networking Academy | *Jul 2026 – Present*
